

# Group Hospital Confinement Indemnity Insurance

## If you got sick or hurt, could you cover all of your medical expenses?

Even if you have coverage that helps with most of the expenses, you may still have to deal with deductibles, co-payments and co-insurance. Not to mention all the other bills you're already paying each month—mortgage, groceries, electricity and gasoline. That money has to come from somewhere, too.

Colonial Life's Hospital Confinement Indemnity Insurance plan offers added financial protection for those out-of-pocket costs related to a covered accident or a covered sickness.
